Here is the latest briefing paper I wrote. If you get a chance take a look at it.

Steve – I'm going to need your help with this. Can you pull together a few sentences on the technical meetings we have

Ex. 5 Deliberative Process (DP)

Thanks for your help on this.

Hi Anne. Did Karen specifically request an update on CRW? If so, we can do this, but I'm not sure what she is looking for. **Ex. 5 Deliberative Process (DP)**

from a couple different areas. If she just wants us to summarize the last few technical meetings with CRW, we can do that, but I'm not sure what she would want in terms of next steps, if anything.

Importance: High

Hi all,

Could you provide me updates for your respective sites/issues **by 10am tomorrow, 8/13?** I'm so sorry about the tight turnaround.

These updates will be included in the monthly paper for Cos. **For each site, the update should be concise and ideally no more than a paragraph, or two, if absolutely necessary.** Below is the list of sites/issues and the last update we used, if available. Thanks. Please give me a buzz if you have questions.
